Cheques should be made payable to *Teacher*. The registration fee is non-refundable.

OTHER COSTS

Books and materials may be purchased from the teacher or on your own. This usually amounts to approximately \$\$ to \$\$ during the year. Exams are approximately \$\$ per exam. Festival fees are approximately \$\$ per entry.

ATTENDANCE

Students are expected to be on time and ready to begin their lesson at the appointed time. If a student misses a lesson for whatever reason, it will be made up only if the teacher has been given sufficient notice in advance, so that the time slot can be used to schedule a make-up lesson for another student. A maximum of three make-up lessons during the year will be given because of student cancellations. If the teacher cancels the lesson, it will be rescheduled for another time.

Parents are welcome and encouraged to attend their child's lessons whenever they wish. Other people (i.e. friends) are discouraged from attending the lessons, although permission may be given for this on occasion.

DISCONTINUING LESSONS

The expectation is that the student is committed to piano lessons for the entire term. Should you wish to terminate before the end of May, one month's notice or a month's pay is expected. The balance of the fees paid will be refunded.

PRACTICE

Regular practice is necessary if the student is going to succeed and progress. The suggested amount of practice varies according to the age and level of the student, and of course, the more practice, the more quickly progress is made. Are you willing to commit to regular practice?

I have read and understood this policy.
